

HYGIENIC BARRIER WASHER

TBW 63 · 120

STANDARD FEATURES & ADVANTAGES

- Softmount highspin hygienic barrier washer
- Split pocket, easy load and unload ergonomic drum
- Soap hopper at the front
- 6 compartment plastic soap hopper
- Automated chemical dosing control via control panel
- Hygienic barrier loading and unloading door
- State of art vibration absorbing frame design
- High spin, high G-force extraction
- AC-Drive motor control
- Rust proof stainless steel inner, outer drum and cabinet
- Safe door lock mechanism
- USB support for full suit database backup and recovery
- USB support for wash formulas transfer
- csv file support for editing wash formulas on PC
- Step by step troubleshooting guide in control panel
- Ceramic coated shaft at seal working surface
- Teflon seals
- Service and installation friendly design

OPTIONS

- Weight cells for water, electric and detergent consumption optimization
- Pneumatic water and steam valves
- Dual heating
- 3rd water inlet
- Water and steam hoses
- Visual machine status light
- Reporting tool
- Extra real time information and status screen
- Automated dosing system infrastructure
